The Chairperson noted that the agenda items were covered and welcomed other points for discussion. The parent’s members put forth the following -:

All the parent representative appreciated the teacher’s effort. – The Principal accepted the appreciation and informed

that when this pandemic began, teachers were given little notice to shift very quickly to distance learning or e-learning, sometimes with little or no training. In many cases, they had 48 hours or a weekend to reinvent lessons for an already planned curriculum, learn new technologies, find non-technology solutions to student learning, and figure out how to keep students engaged. The words of appreciation acts as a motivational booster for my teachers.

As all the parent representatives had some common concerns which was read out by Ms. Yogita Fernandes for discussion.

- Waive off the Co-Scholastic Fee was put forward - the Principal informed that there is no room for waiver as the School is abiding by the Government Regulations in terms of conducting online sessions for the wellbeing of the children.
